Kansas Lions MD 17-I

March, 2011

From the Desk of your District Governor

I am so excited. It finally looks like spring might be just around the corner & everything is looking great for our convention. We are all excited about the **Bob Hope Road Show** on Friday night. You don't have to be a Lion to attend – so gather up your friends & neighbors & come enjoy a great night of entertainment & fellowship with your Lion family. The line up for Saturday is just as exciting with many new things for the Lions and Leos of the district to enjoy. Of course the business of the district is the main reason for a convention. Be sure to get those voting delegate forms in so your club can have a say in what goes on at the district level. We are fortunate to have a great line up of dedicated & capable Lions running for elected office this year. Saturday night we

will get all dolled up for our celebration banquet to cap off a wonderful weekend. The deadline for reservations is just around the corner so get them in to District Secretary Lela Gillispie right away.

We are again having the ever-popular **Silent Auction** at this year's convention. Please let secretary Lela know what you are bringing for the auction so we can have bid sheets made up in advance. Of course we welcome those last minute items as well. The money from this auction goes in the leadership fund for the district.

The **hospitality room** also needs donations of food items or cash to keep it stocked. If your club would rather make a cash donation please send those checks to Convention

Committee Co-chair Nancy Nading at 811 W. 5th, Concordia 66901. There will be a great free gift for all Lions attending the convention. The state Public Relations Committee has free Kansas Lions license plates to give to the Lions of Kansas. What a great way to let everyone know you are a proud Lion & free makes it even better.

The deadline for **International Band** is fast approaching. Even if your student doesn't have the full amount raised yet – get the application turned in right away. We need to know if we will have enough students going to make the trip possible.

I will see you all in Concordia at the convention.

Peace Poster

The district winning posters were all beautiful interpretations of the theme My Vision of Peace. They were all displayed at MidWinter-Rally, and four of the winners and their families were guests at the Youth Recognition Luncheon. The district winners are listed below, in district order.

L - Megan Scott, age 12
Hays Lions Club

I - Angela Ybanez, age 11
Junction City Sundowners Lions

O Meghan Hollingsworth, age 13

Leawood Lions Club

Dist. N - Connor Huyman, age 13
Wichita Airport Lions Club

Dist. S - Mary Leihy, age 12
Hillsboro Noon Lions Club

We want to congratulate Meghan Hollingsworth, from District O as the winner of the state competition. Her poster has been sent to Lions International to compete in the international contest. She was awarded \$150 as winner in the state competition. Second place winner, \$125, was Mary Leihy from District

S, and third place winner, \$100, was Angela Ybanez from District I.

Both Megan Scott, District L, and Connor Huyman, District N, were given \$50 honorable mention awards.

Congratulations to our own Angela Ybanez for winning third place! Her poster will be featured at the District I convention, along with our other club winning posters.

How To Have a Great Club Meeting

Many of us have been to seminars at the USA/Canada Forum, or have looked at material from Lions International, searching for ways to have a better club meeting. I'd like to share with you the great experience I had recently with the Barnes Lions Club. They had a celebration meeting recently at Ricky's Cafe in Hanover. First time I've eaten there in the 25 years it has been open. We ordered off the menu. Good food. Someone brought Valentine candy

and passed it around the big table. There were teddy bears and candles for door prizes. Valentine bouquets were given to several people as thank yous. Spouses and helpers were recognized for their efforts. The service projects of the club were mentioned, and there were several projects. The club fundraisers were highlighted. People were thanked for helping on the service projects and the fundraisers. It was a great meeting for all. I'm more familiar with the end of the year meetings where the entire year is reviewed and funds disbursed for the club. Just as the state Lions have

a Mid Winter Rally at the mid-term, this club reviewed and refreshed itself.

My schedule: Feb. 18,19: District L convention, Hays; Feb. 24 Zone meeting Waterville; Feb. 25, 26: District O convention, Lawrence; March 8: Washington Lions Charter Night; March 11, 12 our District i convention, Concordia; March 18,19 District S convention, Emporia; March 25,26 District S convention, Lawrence; April 1,2: District N convention, Wichita.

Youth Exchange

Two youth from Peru are doing their exchange in Kansas this winter. They arrived on January 16th, and will be here until the 27th of February. *Alvaro Maquina* is doing his exchange in district I, and is hosted by Kent and Jonette Clark from the Barnard Lions club. *Lorena Manchego* is doing her exchange in district L, and is hosted by PDG Wally and Carol Severson from the Gem Lions club.

We thank both these families for opening their hearts and homes, and hope that many of our Kansas Lions will be able to meet these students while they are visiting our state. Lorena and her host family, the Severson's were introduced at the Youth Recognition Luncheon at Mid-Winter Rally.

We are pleased to announce the fact that the *Topeka Sunflower Lions club* will be sponsoring an exchange out of the country this summer. *Kalen Stockton* is preparing to do her exchange in France. She

is the granddaughter of Mike Gammage from the Baldwin City Lions club, and he has been working with the sponsoring club to help her with the arrangements.

Host Families Needed The Stockwells are planning to host two Japanese exchange students this summer. But a third Japanese girl, *Yuka Ishibashi, age 16, is still* in need of a host family.

Lynda Adwell from the Louisburg Lions club, Dist.O, is planning to host an 18 year old Italian girl, but we still NEED other host families for this summer also. Requests have come in from Italy and Finland. Both countries have both boys and girls that would like to do their exchanges with us. Please let me know if there is someone you know that would like to host a student this summer.

Youthville

Youthville is one of the largest nonprofit, child welfare agencies in Kansas, specializing in Foster Care, Adoption, Psychiatric Residential Treatment and Counseling and Therapy. The agency's 600 employees are passionate about its mission of Giving Children Back Their Childhood to the 1,400 Kansas children who suffer from abuse, neglect, abandonment, and trauma.

Please let us know of your plans and numbers so

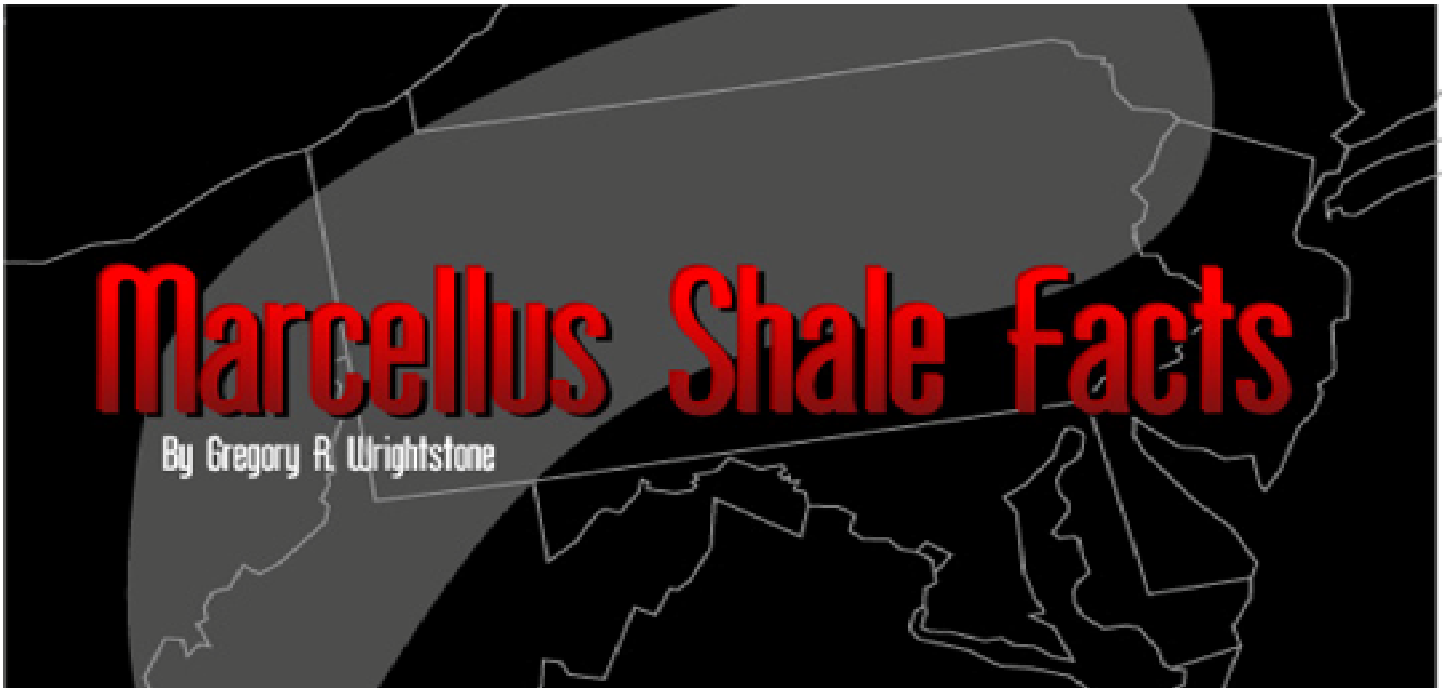

Susan and I will be better able to plan!

We encourage all Lion Clubs that are forming

Leo Clubs to bring youth to learn about Leoism!

Environmental Forum

The Marcellus Shale represents a stunningly large energy reserve and an opportunity for the Commonwealth of Pennsylvania to benefit from more than 100,000 new high paying jobs, direct payments of more than a \$600 billion to land owners in the form of bonus and royalty payments, and nearly a billion dollars in additional state and local taxes¹. Importantly, the new jobs are primarily being created in just the parts of Pennsylvania that need them: in the economically depressed rural areas of the state.

Yet, in spite of the positive economic benefits that will accrue to the state and its citizens, strong opposition has arisen against the development of this resource. Most of the opponents support their position based on claims of existing or possible environmental catastrophe and damage to existing roads and infrastructure. Others believe that the Marcellus development should only go forward after the enactment of a new severance tax on the resource.

Oil production may have peaked in the U.S. in the early 1970s but fears of dwindling natural gas reserves, which were prevalent even a few years ago, have been demolished by the discovery of huge new shale-gas deposits. Gas prices will likely remain flat at around \$5 per 1000 cubic feet through 2020, changing assumptions about everything from the viability of green-energy projects to the prospects of a pipeline to bring stranded gas from Canada to the U.S.

The Marcellus Shale formation alone, spreading from New York to West Virginia, is believed to contain at least 700 trillion cubic feet of economically accessible gas, a 30-year supply at U.S. rates of consumption.

“You can’t in that time frame come up with enough demand to soak this up,” said Robert Ineson, a gas expert with IHS CERA, speaking at the IHS Global Pacesetters energy conference in Greenwich, Conn.

Globally, shale could double current known reserves of 6,000 trillion cubic feet of gas, Ineson said, a sea of gas that mocks the idea of peaking production, as some oil bulls believe will happen soon. This has profound implications for equilibrium gas prices, including the idea that gas should sell for some fixed proportion to oil based on the Btu value of the two fuels. The majority of technological advancements have been applied to gas, including Mitchell Energy’s revolutionary combination of horizontal drilling and hydraulic fracturing of rock that made it economically feasible to unlock gas reserves from underground shale beds. And switching industrial uses between oil and gas “is dead” in the U.S. So it might be that gas stays at 1/16 the price of oil, as it is now, instead of rising to 1/8 or equivalency on a Btu basis.

Leadership Report

“Thanks” To A Great Leader Past International President Dr. Bill Wunder

Past International President Dr. Bill Wunder is no stranger to the Lions Clubs in MD17-I. PIP Bill was instrumental in the formation of many clubs in this district. Over the years PIP Bill returned to help strengthen/rebuild our clubs and has attended more Conventions and Club Anniversary's in our district than I could count. PIP Bill is always here to support us.

I greatly admire the inner strength and wisdom that PIP Bill shows to our Kansas Lions. This is a great reflection of the love and devotion PIP Dr. Bill Wunder has for Lions Clubs International.

PIP Bill will not be able to join us for our District Convention this year. I want PIP Bill to know that he and Lion Dorothy will be missed. The Lions of our District wish you (PIP Bill) a speedy recovery.

Below is the email from State Secretary Linda concerning PIP Dr. Bill.

Let's send PIP Bill so many cards it will keep him busy opening them for weeks!

“Past International President Bill Wunder had spinal surgery Tuesday, February 15th here in Wichita. He will be hospitalized several days and will have a recovery time to follow. He will be unable to drive for 8 weeks.”

“He and Dorothy had planned to attend many functions this year including all the conventions and special anniversaries, but will be unable to. They deeply regret not being at these functions and will truly miss seeing so many of you.”

“We sincerely wish a good recovery for PP Bill as he has had much pain. He hopes to see everyone at the State Convention.”

“Please remember PP Bill with thoughts, prayers and especially cards to his home, 1208 North Shefford, Wichita, 67212. It is best for him to not have company until further notice, but he will thoroughly enjoy your cards and notes.”

Kansas Lions are blessed to have continual support from our International Family. By attending functions where these great Lions are in attendance you are taking a big step in the right direction to see leadership-at-work.

Each Lion has the ability to lead. You don't have to worry about not knowing what to do or what to say. We have Lions ready to help train you, support you and to be your friend. All you need to do is share with us your desires. You can be anything you want to be –

we are here to help with your journey into Lionism.

See you at the District Convention!

JERRY SMITH INTERNATIONAL DIRECTOR

Jerry Smith, from Wauseon, Ohio, USA, was elected to serve a two-year term as a director of The International Association of Lions Clubs at the association's 92nd International Convention, held in Minneapolis, Minnesota, USA, July 6-10, 2009.

Director Smith is a retired superintendent of schools.

A member of the Wauseon Lions Club and a Lion since 1984, he has held many offices within the association, including club president, region chair, zone chair, membership chair, district governor and multiple district 20K coordinator. He also served as vice chairperson of the 2006 USA/Canada Leadership Forum Host Committee.

In recognition of his service to the association, he has received numerous awards including a 100% Club President Award, Council of Governor's Award of Merit, Lion of the Year Award, W.R. “Dick” Bryan

Fellow Award, five International President Certificates of Appreciation, an International President's Medal and an International President's Leadership Medal. He is also a Progressive Melvin Jones Fellow.

In addition to his Lions activities, Director Smith is active in numerous professional and community organizations. He has been a member of the Buckeye Association of School Administrators and the Ohio Association of Local School Superintendents.

Director Smith and his wife, Judy, also a Lion and a Progressive Melvin Jones Fellow, have one daughter, two sons and ten grandchildren.

MID-WINTER RALLY WRAP-UP

The Mid Winter Rally of MD17 was held at the Marriott Hotel and Convention Center in Junction City, January 28-30, 2011. The Friday evening banquet was served to 93 Lions and guests, after which the Charades Barber Shop Quartet provided music and magic entertainment. The hospitality room provided a wonderful gathering place for visiting after the banquet.

Seminars on Saturday included presentations by the MERL Team, Project Hope, a presentation by our special International guest from Australia, PID Barry Palmer and a Club Showcase by clubs from each of the 5 districts, explaining projects or fundraisers.

The LEO's spent a great deal of time making fleece blankets for homeless and others in need in the Junction City/Ft. Riley area Lions "MO" and Beverly Greenwood took the blankets to distribute to those individuals.

An Italian buffet was served to 214 at noon Saturday with LEO'S and Peace Poster winners being honored. "Poet Lariat" Ron Wilson from Manhattan, was our luncheon speaker, providing tales and poetry about cowboys and the "old west." Since Saturday was the 150th birthday of Kansas, the presentation was quite timely and well-received.

The band auction was held Saturday afternoon with some furious bidding for things like jelly and other unique items.

The Saturday evening banquet was a formal occasion with attendance of 190. ID Carl Young and his wife Elizabeth, from Canada and PID Barry Palmer and wife Anne from Australia, were special International guests, as well as ID Anne Smarsh and husband Tom from Kansas.

ID Young's presentation to the banquet group was inspiring and

entertaining. ID, Young and Council Chair, Bill Phillipi presented special commendations to Lion Sylvia Reinhardt, District L: DG Michele Hufferd; DG Tonja Wienck and the Hillsboro LEO's; Lion Cheryl Kern and the Blue Valley West LEO's and Lions Lela and Bud Gillispie.

Members of the MWR committee were the following: PDG Susan McDonald, PDG Thelma Brown, PCC Tom Badger, Lion Elaine Badger, DG Michele Hufferd, DG Tonja Wienck, PDG Daryl Stone, Lion Leah Stone, Lions Dennis and Donise Peterson, Lions "MO" and Beverly Greenwood, Lion Sylvia Reinhardt, and co-chairs, Lions Lela and Bud Gillispie. What a great committee it was too. The efforts of the members of the committee were outstanding and helped make the 2011 MWR a success.

*MWR Co-chairs
Bud & Lela Gillispie*

Peace Poster winners that were in attendance at the MWR were presented to the assembled Lions and guests.

The luncheon set-up was most inviting and was largely the work of PDG Thelma Brown and Lion Elaine Badger.

MID-WINTER RALLY WRAP-UP *continued*

The registration desk was a busy place as the Rally got going. The crew working the desk were outstanding and took good care of our arriving Lions and friends.

The luncheon crowd was treated to a performance with this performance by the Charades Barbershop Quartet from the Manhattan Barbershop Chorus.

MWR co-chairs, Lions Lela and Bud Gillispie were among the Lions who received International President's Letters of Commendation at the MWR banquet.

Poet Lariat, Ron Wilson. Regaled our folks with tales and poetry of the old west. Ron was very entertaining with his tales

The attending participants of this years Youth exchange were introduced to our folks in attendance.

The Leos were again one of the highlights of our MWR. Members of several Leo clubs were present

Lions District 17-I 2011 District Convention

**Lions MD 17-I Convention Call
March 11 & 12, 2011
Concordia, KS**

Plans are finalized for a great convention to be held in Concordia, KS for District 17-I. We will start off with a wonderful catered fried chicken dinner at the Christian Church Fellowship Hall 402 W. 6th located just a block west of the Brown Grand Theater. There is plenty of parking around the hall, in the Baptist Church parking lot just across the street from the Church or on 6th street around the Theater. After our wonderful meal we will head 1 block east to the Brown Grand Theater for the Bob Hope Road Show. We have secured special pricing for Lions to this great event. Tickets will be just \$10. We must receive your paid reservation by Tuesday March 1st to assure seating with the Lions & special pricing. After a great evening of entertainment we will adjourn to the Holiday Inn Express meeting room for more fellowship. Snacks & drinks will be provided.

We will start off bright & early Saturday morning with registration at the Cloud County Community College. The hospitality room will be ready to greet you with coffee & goodies to start your day.

Be sure to bring your items for the silent auction. The money raised from this always-popular activity goes for leadership in the district.

Leo chairs Sharon Teagarden King & Susan King has a great day planned for the Leos.

We have a great lineup of speakers for your enlightenment on Saturday. We will start off with Bruce Graham and his presentation on wind energy. Many of you will pass the large wind farm just south of town on your trip to Concordia. Our International Director Jerry Smith will pass on information from International in our next seminar. He will be joined by the officers & committee chairs from MD 17-I for a Round Robin discussion about anything that is on your mind in regards to Lionism. Peg Sampson from Audio-Reader will round off the morning with a presentation on the wonderful & diverse services Audio-Reader with the help of Kansas Lions provides to low vision people.

During lunch at the great Thunderbird Café we will honor our youth & present our Peace Poster winners with their prizes.

We have arranged for a tour of some of the great sights in Concordia after lunch for those not participating in the business meeting. The Whole Wall and National Orphan Train Depot are sure to be on the agenda.

We will start the afternoon with a Necrology service for those Lions that have passed since we last met.

After the Necrology service we will get down to business with our Cabinet meeting immediately followed by the convention. If at all possible please have your delegate forms in before the convention so they can be certified. Remember that a delegate must be a member for 1 year & 1 day prior to the convention to be eligible to vote.

Saturday evening we will get all dolled up to celebrate a great convention. The evening will start off with a social hour complete with appetizers. After a wonderful banquet our ID Jerry Smith will give his address. We will top off the evening with an awards presentation.

Get those reservations in now for a great convention.
